

## **University of Rhode Island Fall 2011 Transfer Scholarships** **<http://www.uri.edu/admission/transferrequirements>**

No separate application is required for our merit-based scholarships, but all students who would like to be considered for any merit award must apply by the June 1 deadline. Merit awards are not available to students who have already earned a bachelor degree.

### **THE TRANSFER MERIT AWARD**

Preference for our highest level awards will be given to students with:

- A minimum of 24 transferable college credits (based on a semester system) in a diversified program of study.
- An overall cumulative grade point average of 3.3.

Satisfaction of the minimum criteria does not guarantee a scholarship; the overall applicant pool determines the degree of competition for these awards. Depending upon available funding, other scholarships may be awarded to students with a strong record of academic achievement who fall slightly below these criteria.

Scholarships are renewable for up to six consecutive semesters, as long as the student maintains full-time enrollment and a grade point average of 3.0 or higher.

### **PHI THETA KAPPA TRANSFER SCHOLARSHIP**

Awarded to Phi Theta Kappa scholars holding an associate degree who have achieved a minimum grade point average of 3.5.

#### **Eligibility Requirements:**

- Current membership in Phi Theta Kappa (documentation must be submitted along with your academic credentials)
- URI must be your first four-year institution
- Confirmation of an earned Associate in Arts (AA), Associate in Science (AS) or an Associate of Fine Arts (AFA).

Scholarships are renewable for up to four consecutive semesters, as long as the student maintains full-time enrollment and a grade point average of 3.0 or higher
