We are very pleased to announce **Ms. Cindy Prenguber** has been selected to be the Camp Director for the Department of Recreational Services summer recreation program - Rhody REC Camp! Ms. Prenguber's experience includes over nine years working in the teaching profession specifically with students who have behavioral and learning disabilities. She had worked at URI Department of Recreational Services as the Assistant Coordinator of Aquatics and is currently a URI Swim Instructor. In addition, Cindy has spent several years in the recreation field working in schools, towns, camps and a health club setting. Her strong sense of responsibility, leadership skills, and her excellent communication and interpersonal skills, will help ensure Rhody REC Camp is rich with fun and offers an exciting experience for all! Above all, Ms. Prenguber is passionate about striving to have students/children meet their full potential in all that they do. Ms. Prenguber stated "I am excited about being able to use my experience in recreation and education to help build a strong, well rounded, healthy camp experience for children. I am confident that I can make a profound contribution to Rhody REC Camp".

Ms. Cindy Prenguber,  
 Director, Rhody REC Camp

**Rhody REC Camp** ~ is a new 6-week summer recreation program for children and youth. The camp is designed to energize and enrich your child's summer experience through exciting, fun, and creative activities while providing a safe, interactive environment for children to learn, play and foster relationships. Our goal is to help enhance campers' education and to promote healthy, active lifestyles by offering challenging and non-traditional program opportunities. Our staff is dedicated to encourage your child/children to fully participate in all Rhody REC Camp programs, activities, supervised swimming, field trips and more. Each week is planned with a different theme to keep the summer FUN & EXCITING!
