Fill out this form if you wish to add or delete a local newsgroup. You must be a member of the faculty, staff, or an officer of a recognized student organization, and have an e-mail address.

All newsgroups are public and can be read by and written to by all users. The name of the server is:
newsserver.uri.edu.

To discuss your newsgroup or if you have questions about this form, contact the USENET moderator at:

usenet-admin@etal.uri.edu

Note:
If you need a private conference, use handout No.45, "LISTSERV Mailing List Owner Application".

Please print all information clearly!
